In the Beginning, there were four losses. Then, Head Coach Sabourin created Coaches Odams and Petrillo. Together, with help from Petrillo's walk, and Odam's Toni, as well as Sabourin's hair, they turned the season from one of 0 and four to one of six and 0, tying the record for the most consecutive wins. They also became only the second team in Bedford's history to beat Wayland. Congratulations, Coach and Team; keep the winning tradition going!

MARCHING BAND

The Bedford High School Superband is just that, a Super Band! Playing charts that other bands either don't try or tear apart, the band takes to the field and marches through a maze of geometric progessions with precise form. The Majorettes, led by team Captain Germaine Weaver, also add immeasurably to the half-time show. And of course, without the love and guidance of William Toland, we would be just another band from L.A.

Mr. Keough — Superintendent

Mr. Duggan —Principal

To The Class of 1975 . . .

Please accept my congratulations upon your completing the first steps in the lifelong education process. Whether you are planning on further education or will be seeking employment, your high school years and the way you have performed during those years will undoubtedly strengthen your ability to achieve success.

I pass on to you my personal best wishes as well as the encouragement of the Bedford School Committee.

William F. Keough, Jr.
Superintendent of Schools

To The Class of 1975

More than ever before, you are being asked to face a future with many more uncertainties than any of us have had to face in the past. It is my deepest hope that your experience at Bedford High School have prepared each of you to meet the challenges which are to come. The decisions which you will be asked to make will be difficult and will affect yourself and others. Make them carefully and wisely.

I wish each of you success and happiness in whatever you decide for the future.
